

PATENT PROTECTED

The Game Play Network Real Money Gaming Platform and the b spot brand are powered by the proprietary and unique technology of Game Play Network, Inc., which is protected by a comprehensive library of U.S. patents and additional patents pending, including those set forth below. This information is provided to satisfy the virtual patent marking provisions of the America Invents Act and those of other applicable jurisdictions.

Game Play Network, Inc. Patent Library

1. 10,373,438 System and method of revealing the outcomes of real world wagers based on a geolocation of a user
2. 10,304,283 System and method of timing wagers in an integrated wagering and interactive media platform
3. 10,186,115 System and method of revealing real world wager outcomes based on user interactions with interactive media
4. 9,997,023 System and method of managing user accounts to track outcomes of real world wagers revealed to users
5. 9,922,498 System and method of revealing the outcomes of real world wagers through geolocation reveals
6. 9,786,127 Systems and methods for interactive games
7. 9,767,651 System and method of revealing real world wager outcomes based on user interactions with interactive media
8. 9,728,037 System and method of revealing the outcomes of real world wagers through reveals and unreveals
9. 9,619,967 System and method of revealing the outcomes of wagers through physiological condition-based reveals
10. 9,576,426 System and method of revealing the outcomes of real world wagers through skill based actions
11. 9,558,623 System and method of revealing the outcomes of real world wagers through geolocation reveals
12. 9,552,696 System and method of providing an integrated wagering and interactive media platform
13. 9,552,694 System and method of providing wagering opportunities based on gameplay
14. 9,536,385 System and method of timing wagers in an integrated wagering and interactive media platform
15. 9,489,798 System and method of providing wagering opportunities based on invitations
16. 9,443,383 System and method of determining a reveal specification in an integrated wagering and interactive media platform
17. 9,406,195 System and method of securing reveals of outcomes of real world wagers

18. 9,317,999 System and method of managing user accounts to track outcomes of real world wagers revealed to users
19. 9,317,998 System and method of selecting real-world wagers on behalf of users in an integrated wagering and interactive media platform
20. 9,317,997 System and method of revealing the outcomes of real world wagers through allocated reveal payouts
21. 9,305,428 System and method of timing wagers in an integrated wagering and interactive media platform
22. 9,299,218 System and method of revealing real world wager outcomes based on user interactions with interactive media
23. 9,224,262 System and method of selecting interactive media used to reveal outcomes of real world wagers
24. 9,214,063 System and method of revealing the outcomes of real world wagers through escalating reveals
25. 9,092,940 System and method of selecting parameters for real world wagers placed on behalf of users in an integrated wagering and interactive media platform
26. 9,092,939 System and method of providing wagering opportunities based on invitations
27. 9,076,295 System and method of revealing the outcomes of real world wagers through geolocation reveals
28. 9,076,294 System and method of revealing the outcomes of real world wagers through timed reveals and reveal decay
29. 9,070,253 System and method of revealing the outcomes of real world wagers through single or multiple reveals
30. 9,070,252 System and method of revealing sponsored and other items through mock reveals
31. 8,992,312 System and method of providing an integrated wagering and interactive media platform
32. 8,992,311 System and method of revealing the outcomes of real world wagers through guaranteed reveals and partner promotions
33. 8,986,096 System and method of revealing the outcomes of real world wagers through strategic reveals
34. 8,974,284 System and method of providing wagering opportunities based on external triggers
35. 8,968,104 System and method of providing wagering opportunities based on multiplayer interactions
36. 8,968,082 System and method of managing user accounts to track outcomes of real world wagers revealed to users
37. 8,961,301 System and method of timing wagers in an integrated wagering and interactive media platform
38. 8,961,300 System and method of providing wagering opportunities based on promotional content
39. 8,915,781 System and method of revealing the outcomes of real world wagers through mirage reveals
40. 8,777,735 Monetization of an integrated wagering and interactive media platform

Additional Patents Held Under License to Game Play Network, Inc.

1. 9,070,260 Generating alternative gaming device outputs
2. 8,986,246 Supplemental bonusing system for an electronic gaming device
3. 8,821,246 Co-located lottery game for a gaming device
4. 8,690,665 Method for providing an undisplayed outcome of an electronic gaming device
5. 8,628,411 Generating a supplemental output for a slot machine
6. 8,562,431 Gaming device and secure interface
7. 8,337,309 Data based awards for an electronic gaming device
8. 7,985,129 Co-located lottery game for a gaming device
9. 7,992,578 Method for providing an undisplayed outcome of an electronic gaming device
10. 7,922,577 Gaming device and secure interface
11. 7,871,325 Means for generating a supplement bonus for an electronic gaming device
12. 6,840,860 Printing and dispensing bonusing system for gaming devices
13. 6,585,589 Lottery game/gaming device interface
14. 6,146,276 Programmable electronic activity detector and command generator for electronic devices
15. 5,908,354 Programmable sound card for electronic devices
